2. Scholarship monies shall be designated for books, tuition and housing only. Scholarship funds may not be used for other personal expenses or items, such as food, clothing, recreational activities, computers, etc.
3. A student not registering for the second semester shall forfeit all rights to the remaining unused portion of the allotted scholarship monies, unless there are extenuating circumstances as determined by the Scholarship committee and Grand Knight.

(College applicants must have a GPA of 2.75 or higher on a 4.0 scale to be considered for a scholarship. Technical school applicants must have a GPA of 2.5 on a 4.0 scale.)
  - a) No activities category shall bear more weight than another in determining scholarship recipients.
  - b) Students who work part-time jobs during the school year shall not be penalized for having less community, church and school activities than those students who do not work.
  - c) Any scholarship applicant (including previously announced recipients of scholarships) receiving a full four-year scholarship that includes books, tuition and housing shall be deemed no longer "in need" and shall forfeit all rights to any Council scholarships, and the next qualified applicant shall be awarded said scholarship.
5. Parents of scholarship recipients shall be encouraged to volunteer their time and efforts at the following year's scholarship fund-raising activity.
